EXPERIENCE LIFE  
TO THE FULLEST

**1 ADVANTAGE  
CONSULTING®**

EVERYONE IS CAPABLE OF THIS: LIVE IN A CYCLE OF PERPETUAL PROFITABILITY® HOW? UNDERSTAND THE FIVE TYPES OF WEALTH. MONEY IS NOT ONE OF THEM. WHEN YOU RECOGNIZE ALL FORMS OF WEALTH YOU CAN EXPERIENCE LIFE TO THE FULLEST.

# THE FIVE TYPES OF WEALTH

## 1. Mental

Attention is the currency of your mind. Mental wealth is the ability to decide where you spend attention. Mental clarity and liquidity increase when we are free to direct our attention. We are free to direct our attention based upon curiosity. **We create the freedom to change our minds without being stuck on one strategy or opinion.** What determines mental wealth is mental health. Mental health is maximized by eliminating toxic relationships and physical burdens. **A wealthy mind is crucial to achieve resiliency and an abundant mind set.**

## 2. Social

Social wealth is the ability to choose with whom you spend time. It's the gift to spend time with people you want to because your food and shelter don't depend on it. Social wealth requires a career to control your time and professional associates. **Here's the list to pursue this type of wealth:**

- 1. Be in the top 10% of your industry.**
- 2. Become a business owner.**
- 3. Make money online.**
- 4. Freelance, consult, side hustle.**
- 5. Have F-U money (It's not what you make, it's what you spend)**

## 3. Time

If you have entries on your calendar that you didn't put there and can't refuse, are you truly free? Time is the currency of life. We all have an unspecified amount. If you're young you're a time billionaire. If you're 80 years old you're almost time bankrupt. **Once time is traded there is a no refund policy.** You can't relive certain moments. Time feels different when you come close to the edge of having none left. **Time is the highest form of wealth.**

## 4. Location

More people have this form of wealth because of Covid-19. The onset of this virus in 2020 gave us the gift of WFH without guilt. **Work from anywhere is a form of wealth.** When you cut a commute and its associated expenses, you have created a wealth stream. **This wealth stream is abundant with advantages.**

## 5. Physical

**An unhealthy body is a huge tax on your energy.** Too many people trade their tomorrows to feel two hours of joy today. Indulgences in food, liquor, sugar feel great and are even considered a reward. But you can't experience the other forms of wealth if you ruin your energy levels from too many health taxes. We can invest in our bodies. Give it all the "good" stuff. We get one body. **Treasure it—don't trash it.** If you do, health bankruptcy = short life.

A NOTE ABOUT  
**STRESS  
FREE  
FINANCIAL  
LIVING**

**THE TRUE DEFINITION OF ACHIEVING FINANCIAL WEALTH IS WHEN MONEY DOESN'T CONTROL YOU. IF YOU FOCUS SOLELY ON FINANCIAL WEALTH YOUR LIFE IS BANKRUPT. WHEN YOU BUILD ALL FORMS OF WEALTH YOU GET MORE PLEASURE AND LESS PAIN. EACH OF THE FIVE FORMS OF WEALTH OFFERS YOU MORE CHOICES. AND THE GIFT TO CHOOSE IS WHAT TRUE FREEDOM IS ALL ABOUT.**
